Department of Statistics, University of Dhaka

Lecture Series # 4

How to write a resume/curriculum vitae

Speaker

Mrs Nusrat Shohid

BSc (Hons) Biomedical Sciences (UK)

□ What it is about

Mrs. Nusrat Shohid has more than 20 years of work experience in the UK based renowned pharmaceutical industries. Throughout her career, she had many successes and achievements such as president's award from company and UK pharmaceutical field award.

In this series, she will assist our future graduates about career development. In particular, she will talk about how an effective plan should be made and how to execute them in order to become a successful professional. Her talk will emphasize on resume writing, facts about job interview, presentation etc.
